

Rubiya Tasnim and Yaffa Atkins
Homework 2
Machine Learning

- 1: We finished the whole homework assignment
- 2: Yaffa used a Windows laptop and Rubiya used a Mac
- 3: Recourses that helped me:

<https://medium.com/hackernoon/implementing-the-perceptron-algorithm-from-scratch-in-python-48be2d07b1c0>

<https://medium.com/maheshkkumar/implementing-a-binary-classifier-in-python-b69d08d8da21>

Classmate Nick Dropp helped us debug the code when we ran into an indenting error.
